

SYNOPSIS OF AMC CONNECT CHALO MIRA-BHAYANDER PROGRAM

**From the Desk of
Prof. Sushmita Bhatnagar
Secretary, AMC
2018-2019.**

Date : 5th April 2018

Venue : Wockhardt Hospital, Mira Road.

The first CME within 10 days of installation of President Dr. Vipin Checker was a half day CME following lunch. It started on schedule with talk by Secretary Dr. Sushmita Bhatnagar about AMC, followed by Zonal Director's introduction about the Zone and the type of activities for social cause done under the banner of AMC. Dr. Nikhil Datar's informative talk on 'Doctors Role Judicial Activism' motivated the audience to actively play a role in the judiciary processes for the benefit of both patients and the medical professionals. Dr. Dipanjan Haldar spoke on 'Basics of bone marrow transplant' and enlightened the audience with the latest in the field.

Dr. Vipin Checker highlighted the importance of being connected and of supporting each other in the current vulnerable situation of the medical professionals.

'Doc, are you listening?' talk by Dr. Sumati Oza was very well appreciated by all with her lucid message for improving communication skills with the patients. Dr. Mahesh Kharde spoke on 'Using medical apps in medical practice' and introduced new methods for effectively managing time as well as upgrading knowledge in day to day practice.

The very engaging talk of Dr. S.N. Agarwal on 'How to avoid Medicolegal mishaps' from A to Z showed how to avoid any mishaps and prevent Medicolegal issues.

'Current trends in constipation' was elaborately covered by Dr. Sanggita Checker.

Panel discussion on 'Solve your concerns with expert' with case discussions on Medicolegal issues was very well moderated by Dr. Ashok Shukla and Dr. Rajeev Agarwal. The panellists Dr. S.N. Agarwal, Dr. Vipin Checker, Dr. Ravi Hirwani, Dr. Manohar Motwani, Dr. Nilima Vaidya-Bhamare, Dr. Vikrant Desai gave clear insight on matters which are faced by many on a regular basis.

The MOC's Dr. Navneet Desai and Dr. Rakhi Agarwal conducted the program very smoothly and efficiently.

The CME had 2 MMC credit points and was attended by 155 delegates and faculty. The program ended with lucky draw/prizes to the winners and a well appreciated first of its kind event of AMC 2018-2019.

Thanks from

Dr. Vipin Checker
