

## SYNOPSIS NURSES TRAINING PROGRAMME

From the desk of  
**Prof.(Dr.) Sushmita Bhatnagar**  
**Secretary, AMC**

**Date: 06/05/2018**  
**Venue: Zaika Banquet Hall, Bhayander**  
**Time: 8.30am - 3.00pm**

Nurses training program is an on-going project of AMC and almost 8-10 programs are organized every year. Most of the programs are organized by Dr. S.N.Agarwal, including this program for which he deserves a special accolade. The presence of Dr. Vipin Checker, President AMC at the venue provided a very positive flavor to the program.

Program was conducted very smoothly and efficiently by Dr. Ankita Patel and Dr. Uzma Sheikh. Program was attended by 116 nursing staff and inaugurated by Dr. Niranjan Agarwal and Dr. Ravi Hirwani.

The topics covered were of common interest to nursing staff, belonging to any and every specialty. The speakers spoke very lucidly with practical demonstration of various techniques which made the subject not only interesting, but also delivered the knowledge most effectively. The majority of the speakers were from the medical profession such as Dr. Vipin Checker, Dr. Sanjiv Dua, Dr. Ashto Mathur, Dr. Suchitra Dalvi, Dr. Sushmita Bhatnagar (Secretary AMC), Dr. Prakash Tejwani, Dr. Samir Sheikh, Dr. Narpal Singh, Dr. Prakash Jadhav, Dr. Nikhil Agarwal, Dr. Aditi Agarwal, Dr. Brijesh Yadav, Dr. Rajesh Shah and few from other professions such as Ms. Nilu Khushwaha & Mr. Abhishek Chauhan.

A big thanks to Johnson & Johnson for the academic meet & Ringtone (the mobile store) for exclusive discounts to the Nursing Attendees.
