“All work and no play
Makes Jack a dull boy
And Jill a dull girl”

As the general perception goes, a doctor’s life is busy, stressful and often leaves little time for personal activities. Yet, we have here a whole group of our own doctors who have nurtured their non-medical talents in different areas and are ready to show this with us!

From Mimicry to music, dancing and comedy-we have it all!
Come join the party with AMC on 1st July 2018 Doctors’ Day Celebration to cheer your colleagues -You might discover some hidden talents with yourself too !!

We are following this with blood donation drives across the city, beginning with cooper hospital tomorrow 2nd July from 10am to 3pm. Please participate to show that we as doctor are caring, giving and healing our patients!
