Dear AMCites,

This year we have endeavoured to reach out to the maximum number of members with outreach programmes all over mumbai and if possible all over Maharashtra, along with interesting Zonal programmes.

This year we also decided to venture into hithertoe never traversed subjects one such being SEXPLORE 2018.

We come to you with off beat topics regarding sexology as we are delving into the uncharted waters of "Discussion on SEX" a topic considered taboo in our country. When we as physicians or as parents are not comfortable discussing it, how can we expect the gen next to accept it unashamedly?

SO , LETS TALK SEX

We bring to you this interesting topic in a very interesting and sensuous yet classy way. In our bouquet today we have dealt with various aspects of sex in a variety of ways

"Sex and moksha" the yogic and pranic experience, the breath of life !!!

"Premsutra" a Bharatnatyam performance which brings you love in its most sensual dance form.

"Mom what is sex ?" a most dreaded question that we as parents face and don't know what or how to say?

"Normal and Unique" explaining the sexual dilemmas of the LGBT clan.

"Ecstasy in stone" the deciphering of the Khajuraho monuments from the scientific kaleidoscope.

"Food for sex" the dietary outlook towards a healthier sex life.

"Sex and ghazals"... what can build up the mood better than some fantastic shero shayari?

"Erectile dysfunction is a correctile dysfunction" the male sexual dysfunction dissected.

Please do not miss this singularly different event, never before presented, by a galaxy of well known speakers like Dr. Deepak Jumani, Dr. Prakash Kothari, Mr. Mickey Mehta, Choreographer Ms. Manasi Nair, Dr. Udayaan Indurkar, Dr. Ashok Row kavi, Dr. Harish Shetty, Dr. Darpan Kaur etc
